Dear Mr. Degges:

The Georgia Environmental Protection Division (EPD) has received the January 2013 1<sup>st</sup> Annual Progress Report, submitted on behalf of Legacy Vulcan Corporation in association with the above referenced Voluntary Remediation Program site. After completing a review of the above referenced document, EPD has prepared the following comment:

- As part of the next Annual Progress Report submittal, please indicate a specific monitoring location(s) that will be used as the point of demonstration (POD) monitoring location along with a designated Point of Exposure (POE) for groundwater.

EPD has no further comments at this time, and the Progress Report will be placed in the HSI #10770 facility file for public review. If you have any questions, please contact Mr. Kevin Collins at (404) 463-0530.

Sincerely,

David Brownlee  
Unit Coordinator  
Response and Remediation Program
